

# Silent Auction

CAMPUS PRE-SCHOOL'S ANNUAL

Come to celebrate our multicultural heritage

## Come together & support Campus Pre-School

The Silent Auction is our major fundraiser of the year. Please join us for a night out including a live band, great food, and outstanding items on which to place your bid (cash or cheque only please).

Of course, it's also a wonderful time to meet other parents and support a pre-school full of our great kids!

Advance tickets will be available in the classroom in November (please make cheques payable to Campus Pre-School), and you are welcome to invite additional friends and family to this (adult-only) event.

Each Campus family is requested to provide at least one item to be auctioned.

Please try to solicit auction items (from local merchants, friends or family members) so that you can lend your support at

the auction itself. See below for some ideas.

Be Creative

# or not

Solicit businesses that you frequent, those who recognize you are more likely make a donation to you. Remember that tax charitable donation receipts are available but must only be for cash donations over \$25.00. Have a special talent? Or know someone who does? Busy families love frozen home made meals. A handknit hat or winter can become part of a winter warmth package along with some hot chocolate and mugs. Who can resist home baked Christmas goodies. Artwork, baking, crafts, cooking, no item is too small. Want some free time? Offer to house/dog/cat sit for a weekend! (contd. next page)
