Multi-Aged Class Book Reading

The children in the Multi-aged class have been enjoying a new routine of looking at books together or independently after clean-up time. If you are in the classroom, please join us on the rug and share some reading time together!

Family Photos

During the month of February, we will be talking about Families. Please send in a family photo for your child to share. We will place the photos on a display board and the pictures will be returned to you.

2024-2025 Registration

2024-2025 class offerings:

Junior AM Mon/Wed/Fri and/or AM Tues/Thurs

Senior AM Mon/Wed/Fri and/or AM Tues/Thurs

Multi-Age PM Tues/Wed/Thurs

Most of our enrolment comes from alumni and referrals. Please feel free to give our school's contact information to any prospective families interested in registration. We are more than happy to provide a tour of the school to prospective families. Thank you for your support!

Classroom Volunteers

It means a lot to your child when they have the opportunity to spend the preschool day with you. You can sign up for volunteering in the classroom on the calendar posted in the hallway/stairwell into the school. Please write your first name and class you would like to volunteer in on the date that works best for you. Thank you for your ongoing support of your kids and our school.

If you are happy with Campus Pre-school, please leave us a Google review! We are trying to increase enrolment for fall 2024.

Parent-Teacher Conversations

We have completed Parent-Teacher Interviews for the school year, but that doesn't mean the conversation has ended! If you are curious, have questions, concerns or are just wondering about happenings in the classroom, please feel free to reach out to your classroom teacher. We are more than happy to chat after school, e-mail or share a phone call. Thank you!

Tips & Tricks for Valentine's Day

Writing valentines is an excellent opportunity for children to practice writing their names, especially for our older students who are getting ready for kindergarten. For quick distribution of valentines only write who the valentines are from. For a challenge, write who the valentines are for as well who they are from (depends on your time and patience). Please see your classroom teacher if you would like a list of classmates' first names.

Valentine's Day - February 13 & 14

We will celebrate Valentine's Day on February 13 and 14 with a valentine exchange. We will have mailbags for children to bring home at the end of the day. Children are welcome to bring valentines to school, and valentines will be placed in the individual mailbags.

Afterwards the children will be given class time to look at their valentines before bringing them home. Occasionally valentines may include treats, and these will be saved to be enjoyed at home rather than at school. At drop off, it would be greatly appreciated if parents/caregivers could stay and assist your child to distribute the valentines into the mailbags.

FEBRUARY & MARCH 2024 NEWS

Winter Gear

We would love and appreciate some help getting the kiddos dressed for outdoor play at the end of the preschool day (particularly our juniors in both the junior class and the multi-aged class). If you have the time and are available, we start getting winter gear on at around 11:05 AM. Many hands make for light work! Thank you for your consideration.

Outdoor Play

During outdoor play, please respect the pylon area and encourage all children to play within the pylons, unless signed out by a caregiver. Also, please refrain from allowing children to play in the community garden area. There are many plants growing along the edges and in the beds. Thank you!

Tax Receipts

Child Care Tax Receipts will be issued by the end of February, delivered via e-mail. Feel free to reach out with any questions.
