SPRING!

We are very excited to welcome the new season. As the weather warms we will be spending more time outdoors. Please ensure that your child is appropriately dressed for the weather each day. In Calgary, this may mean splash pants, rainboots, extra mitts, or sun hats and sunscreen! We will also be moving the pylons around the yard to accommodate weather and activities. Please encourage your child to respect the boundaries.

BUTTERFIELD ACRES FIELD TRIP

We are excited for our annual field trip to Butterfield Acres Farm on May 21 (junior class) and May 27 (senior and mixed-age classes). This trip will include transportation via chartered school bus, admission to the grounds, pony rides and tractor rides. The buses will leave Campus at 9:30 am and return at approximately 12:30 pm. Our Butterfield Acres bookings are from 10 am - 12 pm. We welcome all families to join us for this field trip. If you are unable to attend, Campus students may attend independently and will be assigned to a parent volunteer. There are no additional costs for this trip, all fees for Campus children and families are covered by the preschool. In preparation for this trip, we'd like to estimate numbers to confirm our transportation, pony ride bookings and supervision needs. Please RSVP via the Google Form linked [here](#) as soon as possible if you haven't done so already. Consent forms for this field trip will be sent home in early May.

Speak with us on the playground, text or email us anytime.

KIDS DEVELOPMENTAL SERVICES (KDS)

Kids Developmental Services (KDS) offers free assessments and support to eligible families. Campus has renewed its partnership with KDS for the upcoming school year. Screening of children for support in the upcoming preschool year begins in spring. Families are provided with information from KDS when they register for 2024/2025. If you are unsure whether your child might benefit from this program and would value our guidance, please speak with Rebecca or Paula. Here is a link to the KDS website for more information about the kinds of services KDS can offer. kidsds.org
